K-1 Head Start

ENGAGE YOUR MIND THIS SUMMER!

The mission of OLPH Summer Academy is to promote and sustain meaningful academic enrichment through the use of different modalities of learning. Students will further the four pillars of Catholic Education (faith, academics, discipline, and leadership) through OLPH Summer Academy's invigorating and meaningful program. OLPH Summer Academy will establish a self-sustaining, supplementary educational and arts filled program to meet and exceed the needs of our community.

Tuition: \$100/week

Summer Academy Classes

Pick two each week!

Week 1: K-1 Head start class, Sports Camp, Math, Programing and Logic, Reading & Typing, Fun with Food, Science

Week 2: K-1 Head Start class, Sports camp, Vacation Bible School, Math, Programming and Logic, Science, Reading & Typing, \Science, Art in Action

Week 3: K-1 Head Start class, Sports camp, Science, Math, Programming and Logic, Reading & Typing, Art in Action

Math, Programing and Logic!

Mathematicians will be able to brush up on last year's math skills or get a head start on the next year's skills, practice logic puzzles, and learn Javascript by making your own iPad apps!

Sports Camp!

Stay active this summer by practicing at Basketball and Paddle Tennis!

Work on your skills and build strength with weight and agility training, while having fun with your friends and preparing yourself for the next season.

Super Science

Summer Science Enrichment with Mrs. Franklin! Science fun for everyone! Grab your safety goggles, roll up your sleeves and bring a sense of adventure! We will explore the wonderful world of science through daily experiments and project based learning! Grade 1-8

Art in Action

Get exposed to the arts! Students will develop self-esteem, and have an outlet for creative expression. Have fun and create amazing art with Ms. Twarowski!

Fun with Foods

Students will learn the basics of cooking: kitchen safety, proper use of utensils and some appliances, and how to cut and measure. Your child will also enjoy preparing a variety of foods and eating their own creations!

Kids Care available (11:30-3:00)

Open to all K thru Eighth Grade Students
In Santa Clarita Valley
