

OLPH School Family Pledge

As a family who wishes for our child(ren) to attend school in-person, we understand our role in helping to keep a safe environment for everyone and we pledge the following:

While on school grounds, my child(ren) will:

- properly wear a facemask at all times that is required.
- frequently wash his/her hands.
- maintain 6 feet of distance between others whenever possible.
- understand that he/she cannot share food, drinks, and school supplies.
- stay home when sick.
- stay home when they may have been exposed to someone else who is sick.

As a family, we promise to:

- be compassionate to everyone.
- limit our family's contact with others outside of our school environment.
- keep our children home when they or other members of our household are not feeling well.
- comply with all Public Health Department regulations and OLPH School guidelines.
- be respectful when reminded to comply with the regulations that allow us to operate in-person instruction.
- be understanding if we have to transition back to distance learning.
