

Uniforms are a positive discipline in the school. OLPH emphasizes the value of a disciplined learning environment. Just as dressing up, even wearing uniforms, is a part of the workday for parents, a school uniform helps set an atmosphere and tone for the important task of learning. Uniforms prevent problems associated with the subjective interpretation of a dress code policy. Uniforms help promote unity among the student body, assists in developing a good self and school image, and decreases peer pressure by lessening the clothing competition between students. Uniforms eliminate any confusion about what is acceptable, modest and appropriate by OLPH's standards. Our uniform vendor provides economical and durable items. Often parents need only purchase two or three sets of uniforms to last throughout the school year and often these same items can be handed down to other students.

Read the following uniform policy to get details on shoes, socks, backpacks, outerwear, etc.

Uniforms can be purchased at Gloria's Uniforms.

Enforcement

- The school staff, faculty and administration will enforce the Uniform and Dress Code Policy. Interpretation and application of the Uniform and Dress Code standards will be the responsibility of the OLPH Faculty and Staff.
- Students not complying with the Uniform and Dress Code Policy may be required to rectify their appearance immediately, at the discretion of an administrator. This may include removing the prohibited item or waiting in the school office while a parent is called to campus with the appropriate clothing item.
- Cheerful, consistent compliance is expected. Students who violate the Uniform and Dress Code Policy, either by action or by challenging and rebellious attitudes, will be subject to disciplinary actions.
